

## Loading The Dataset:

The screenshot displays the IBM Cognos Analytics with Watson web application. The browser's address bar shows the URL `us1.ca.analytics.ibm.com/bl/?perspective=home`. A notification banner at the top indicates that scheduled maintenance has been completed. Below this, a progress bar shows the file `Analyzing salesmonthly.csv` is being processed, with buttons for `Cancel` and `Details`. The main content area features a welcome message: "Hello. Welcome to Cognos Analytics with Watson." and instructions to get started by watching an introduction video or taking a product tour. A "Quick launch" section at the bottom provides shortcuts for four key activities:   
1. **Upload data**: Upload or drag and drop spreadsheets, csv files, and other data.   
2. **Prepare data**: Use data modules to clean and connect data from multiple sources.   
3. **Exploration**: Quickly find unbiased answers by identifying trends in your data with AI.   
4. **Present data**: Create sophisticated, multi-page, multi-query dashboards, reports, and more.   
The Windows taskbar at the bottom shows the system time as 13:23 on 01-11-2022, with a weather widget indicating 25°C and rain.
